**Subject: Online Payment facility for the Port Community**

With the support and the coordination of the **Central Bank of Djibouti**, Djibouti Ports and Free Zones Authority (DPFZA) online payment gateway facility is available for the port community. We congratulate the local banks that are already integrated to process, the payments through the Djibouti port community system (DPCS) payment gateway, and encourage all other banks in Djibouti to take part.

The members of the port community are encouraged to use the online payment facility in order to limit physical visits to ports and free-zones premises.

The online payment facility will further decrease online documentation completion time, enable savings on transportation while respecting government measures to contain the spread of covid-19.
